

**TRANSFER ARTICULATION AGREEMENT**

**BETWEEN**

**ROCKLAND COMMUNITY COLLEGE**  
Associate in Arts and the Associate in Science Degrees

**AND**

**THE COLLEGE OF MOUNT SAINT VINCENT**  
Bachelor of Arts and Bachelor in Science Degrees

The intent of this agreement is to facilitate the smooth transfer and transition of Rockland Community College graduates into appropriate upper level programs. The successful implementation of the Agreement depends upon communication of its contents to all involved participants, and assumptions of responsibility by both institutions for such communication.

The Agreement is based upon the completion of the Associate in Arts or the Associate in Science degree.

The terms of this Agreement take effect with students graduating in May 2010. Programmatic changes by either institution will necessitate amendments to this Agreement as appropriate.

This Agreement may be terminated by either institution with one year notification.

**The following conditions, equivalencies and recommendations have been identified by the two institutions participating in this Agreement.**

I. Criteria for admission to the College of Mount Saint Vincent:

Minimum cumulative grade point average of 2.00;

Nursing major and education programs require 3.00 and 2.50 respectively. In addition, students transferring to nursing must earn a 3.0 in the required science prerequisite courses (Anatomy & Physiology I & II, General Chemistry I & II and Microbiology) within 5 years of beginning clinical courses if they wish to transfer these courses to the College. For education, students must have a 2.5 GPA by the end of the first semester of Teacher Education coursework taken at the College of Mount Saint Vincent.

II. Course equivalencies and/or area requirements.

Specific course equivalencies have been determined and approved. They are contained in the attached Program Course Transfer Sheets and illustrate how transferred credits are applied. Students must earn a grade of C or better in an approved course in order to transfer it. All students transferring into the College with sixty or more transferable credits will be defined as juniors, will register at the same time as all other rising juniors, and will have all courses in the Core waived, except for the three (9 credits) Junior and Senior level Core enrichment courses. Courses of a purely technical nature, i.e., typing or shorthand, as well as credits earned in clinical nursing, will not be accepted in transfer. Transfer of credit earned at any time will be accepted except where technology, new research, or other factors have significantly changed the content or required skills of a course.

III. A. Summary

These terms and conditions apply to all of the undergraduate degree programs offered at the College of Mount Saint Vincent and listed under IV below.

Transfer credits from Rockland Community College	65
Credits to be taken at College of Mount Saint Vincent	55-61
Total Credits for Bachelor Degree	120-126

B. Other competencies/requirements/conditions:

**Application Fee Waiver**

Rockland Community College graduates, who apply to the College of Mount Saint Vincent under the terms of this agreement, will have the admission application fee waived.

**Transfer Admissions Counselor**

Special counseling and advisement is provided by the College of Mount Saint Vincent for transfer students.

**Transfer Scholarship**

Applicants who have earned a cumulative grade point index of 3.2 or above will be considered for a Competitive Transfer Scholarship; deadline for scholarship application is July 15 for fall entrants, and December 15 for spring entrants. Details regarding scholarship information can be found on this website (<http://www.mountsaintvincent.edu>) under financial aid.
